### Classified Ads

The NGGPA is a non-profit corporation based in the Southeastern United States that bonds a diverse group of producers with an interest in goats ranging from the backyard enthusiast to large scale commercial breeders.

Waterproof, vinyl/canvas, white trailer cover, heavy-duty velcro @ corners, O-rings all along bottom to secure it, 48" tall, 4 ft. 11 1/2" wide, 10 ft. 1" long, brand-new! Paid \$600 but never used it, so will sacrifice for \$200. This can be used for livestock trailers, goat totes or campers.

1 Goat working chute, originally paid \$1200.00 – will sell for \$500.00. Has automatic head-catcher, chute opens up on both sides to trim feet, give shots, etc. with swinging tailgate and loading ramp, chute is elevated 2 feet so it's not so hard on your back! This includes another gate that can be placed at the beginning of run-up lane.
